ada signage solutions **MADE SIMPLE**

[www.briggshealthcare.com/products/charting/signage](http://www.briggshealthcare.com/products/charting/signage)

This innovative signage website allows you to preview your choice of sign, frame, fonts, and custom text before you order!

- Life of the Building Guarantee
- ADA-Compliant Replacement Guarantee

Select, Customize, Preview, and Order.  
*It's that simple.*

All signs featured in this catalog are custom, made-to-order, drop-ship merchandise exempt from Briggs' Freight-Free Policy. They are intended for interior use unless otherwise noted in the copy or the specifications at <https://www.briggshealthcare.com/products/charting/signage>.

let us handle **THE PLANNING**

Have a large project and don't know where to start? **RELAX**—we are here to help!

We understand your time is valuable and that's why we developed our **SignSpec®** Planning Service. We take the guesswork out of selecting the signs needed for your facility. **SignSpec®** will take you through the entire process of selecting the type, location, and text of your signs that will comply with the NFPA, ICC, and ADA.

Simply send us a copy of your current blueprint or evacuation plan, and we will take care of the rest!

**Just 3 Simple Steps:**

-  **1. Log in to Account**
-  **2. Enter Project Info**
-  **3. Upload Floor Plan**

**With your FREE quote you receive...**  
a detailed SignSpec® quote containing the information you need to place your order and manage your sign program, including:

**A Detailed Sign Schedule**  
Shows each sign chosen for your facility, with message text and a location number that corresponds to your Sign Location Plan.

**Project Summary with Location Numbers**  
An illustrated overview of the sign styles and quantities our design team has chosen for your facility.

**Sign Location Plan**  
A Sign Location Plan that shows recommended sign placement. This will take away the confusion of figuring out where to put your signs and will provide a permanent record of your sign system.

# dining & activity MESSAGE DISPLAYS

### Ovation® Menu, Activity & Display Signs

These displays provide an engaging focal point, drawing residents and visitors alike into lively discussions. It's easy to display up-to-date information such as daily activities, the weather, and most importantly, the menu!

The paper inserts slide into a magnetized sleeve that is easy to remove and update. Each message display board is made of white frosted acrylic in an elegant design that is sure to complement your décor. Each display is characterized by an arch shape and your choice of six graphic colors.

Item #	Description	Price

# memory care SIGNAGE

### Memory Care Shadow Box Displays

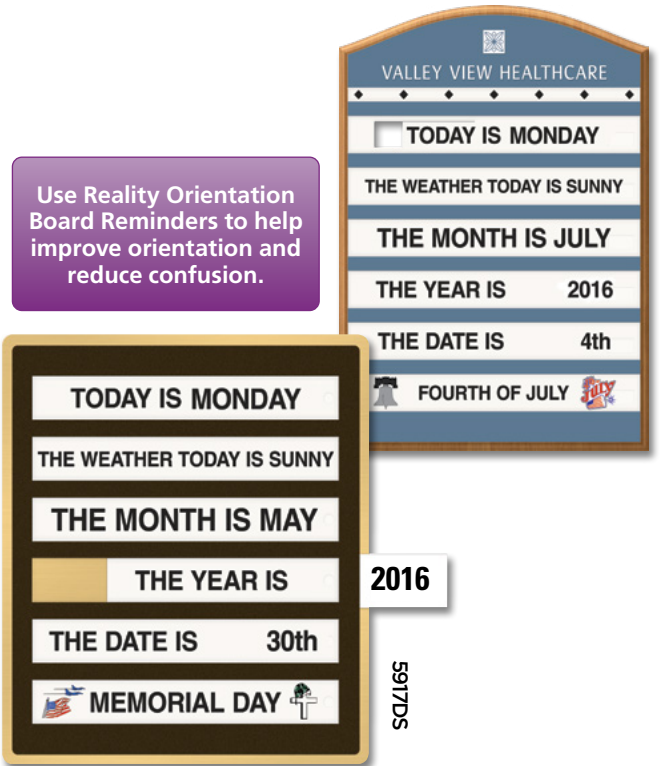

are the perfect way to help your residents connect to items from their past. They allow you to safely display your residents' treasures, keep-sakes, and prized possessions.

For residents with memory loss, Memory Care Shadow Box Displays can help residents recognize their room by displaying familiar items right outside their door.

Memory Care Shadow Box Displays feature ADA-compliant raised text and Grade 2 braille, one changeable insert for easy updating, key-hole mounting, and two adjustable shelves to display cherished items.

A color palette of Antique White and 6 wood grain backplates, and 86 faceplate colors ensure that you'll find the perfect fit for your décor.

Item #	Description	Price
2412DS	1 Name with Room Number	\$540.00/ea
